**NOVEMBER 10, 2023 – MARCH 30, 2024**

## **PLEASE NOTE THE FOLLOWING**

**WEIGHTS:** Weights specified in the body of the conditions are for horses bred in the northern hemisphere. If a horse bred in the southern hemisphere which is entitled to give/receive weight-for-age is declared, a subsequent change in the weights for horses bred in the northern hemisphere may be noted at the bottom of the condition. Full weight-for-age and sex allowances will be applied in most cases, however the maximum weight at publication will be 62.0 kg and any horse which is subsequently weighted below 53.0 kg will be adjusted to the minimum weight of 53.0 kg. Conversely, if the highest weighted horse is below 57.0 kg, it will be raised to 57.0 kg and the weights of all other horses will be raised by an equal amount.

**NEVER WON TWO/THREE RACES:** The order of preference to run shall be:

- (a) Horses with no official rating (NOR) that have won at least one race

- (c) Horses with NOR that have been subject to ballot since their last run
- (d) Horses with NOR that have not raced
- (e) Horses with NOR
- (f) Highest rated horses that have never won a race
- (g) Further provided, without affecting the conditions above, when possible, the field will be reduced in the following order:

  - (ii) Any horse which is in the name of a trainer that has a horse(s) which has been included in the field (this includes reserves), shall not be allotted a start to the exclusion of any horse with no common trainer in the race.
